

2023 Housing for Hope Sponsorship Opportunities

At Community Action Partnership of Strafford County, we believe that everyone should have access to stable, safe, and permanent housing. Become a Housing for Hope Sponsor today and join us in providing the gift of shelter to our neighbors, families, and friends in Strafford County.

Your sponsorship will go directly towards case management, security deposits, rent, and utilities to keep families in their homes.

www.straftordcap.org
