

Adopt-a-Classroom

Sponsor Benefits

- Your company logo and/or name proudly displayed outside your classroom
- Specialized communications and updates on what's happening in our Early Care and Education Program
- Customized volunteer opportunities and activities in the classroom

About the opportunity

Community Action Partnership of Strafford County provides essential resources to children ages 0 to 5 during a critical time of growth to prepare each child, and their family, for success in school and in life.

Federal funding to supply our classrooms with the needed items to promote positive early development only goes so far – this is where we rely heavily on our community partners to bridge the gap!

Make a gift of \$1,000 today to adopt-a-classroom in our Early Care and Education Program!

Interested in this opportunity? Please call or email Melissa Spil, Chief Advancement Officer, at 603-435-2480 or mspil@straffordcap.org.
