

# SPONSOR A FAMILY

CAPSC guides families facing homelessness to find housing through our Housing Stability Program. Having a roof over your head and an address to list on important paperwork is life-changing; however, many of our families have no belongings to their name.

**For \$250, you can sponsor a newly housed family coming out of homelessness or fleeing domestic violence.** Your support could go directly towards household supplies, such as stocking the pantry and fridge, cooking supplies, dishes, pots and pans, bedding, linens, toiletries, and cleaning supplies.

**As an important partner, you would receive:**

- Your name in our Annual Report
- Priority access to our Annual Meeting - it sells out fast!
- Quarterly communications and updates on the impact of our work

## TO CONFIRM YOUR SPONSORSHIP:

Make a payment online:
